

## CALLS TO ACTION FOR 2A

- Contact ALL current house and senate reps (federal) and let them know the 2A is not to be infringed upon period! There is no room on this.
  - The supreme court has already ruled that the 2A may not be infringed upon in a variety of cases such as [this](#) and additional favor [here](#). There are a couple cases to watch being decided this year, 2022.
  - Contact Utah legislature at [le.utah.gov](http://le.utah.gov) and let them know you would like Utah declared a 2A and constitutional sanctuary state immediately.
  - No red flag laws for law abiding citizens!
  - Set up meetings/Townhalls etc with your sheriffs and ask them what they plan to do about the government overreach both planned and currently taking place. They need to have a plan and they need to remember they serve the people.
  - Contact the legislature and ask them to sponsor a bill like HB1194 from South Dakota- [here](#). This blocks unlawful and unconstitutional executive orders.
  - Set up meetings in your neighborhood and start talking with your neighbors about the importance of the 2A, and why this right must NOT be infringed upon. Help educate your friends and family.
  - Contact Attorney General Reyes and talk to him about setting up a lawsuit should the Biden regime decide to proceed with their threats in regard to the 2A. He should have something ready to be filed the moment the regime makes any movement against the 2A.
  - BECOME AN INDEPENDENT NEWS REPORTER - Utah news sources (MSM) are not reporting truth. It's up to you to do it.
  - Run for a position- We need the public involved.
