See:

The pilot is a collaboration between the Utah County Elections Division, Voatz, Tusk Philanthropies and the National Cybersecurity Center.

<https://cyber-center.org/yahoo-finance-utah-county-to-offer-blockchain-voting-app-in-municipal-elections/>

See that the National Cybersecurity Center is tied to Biden's long-time Campaign manager:

The **National Cybersecurity Center's 2021 Future of Voting Election Resiliency Project** is a joint project with **Biden-backed Tusk Philanthropies** (with policy and marketing support from the **Soros-funded Brennan Center for Justice** out of NYU. The Brennan Center for Justice is a left-wing policy tank and law firm that is funded by George Soros-associated organizations. It works towards voting reforms like those that impacted the 2020 election.

See the Brennan Center for Justice's Soros-associated funders here:
