

DO YOU KNOW WHAT RANKED
CHOICE VOTING LEADS TO?

WHAT IS RANKED CHOICE VOTING?

Utah **election integrity is in question** and now more than ever we need you (the voters) to be informed.

Ranked choice sounds lovely in theory... it's not!

Ranked choice voting is **a scheme to disconnect elections from the voters and issues**

It allows candidates with marginal support from voters to win

It **hinders true debates** and dialog among candidates

It **eliminates genuine binary choices** between two top-tier candidates.

Ranked choice process **removes protections against a "tyranny of the majority,"** stifling outsiders, **encouraging the broken two-party system,** and disallowing plurality victories

This is a gateway to the state moving control of our vote from the county/precinct level to the state

The Utah Ranked Choice Website cites **"Experimenting with elections"** as a positive thing, it's not.
